

Dear colleagues!
Tavria State Agrotechnological University
named after Dmitry Motorni
invites scientists to participate in the writing of a collective monograph on
20th anniversary of the department "Accounting and taxation":
"Scientific and practical foundations of accounting, analytical, financial and
investment support for business entities sustainable development".

Submission by the authors of materials for consideration by the organizing committee - **until May 25, 2020.**

We accept papers that reflect the results of research on the proposed topic.

The following sections are planned in the monograph:

1. Accounting and analytical support for the sustainable development of entrepreneurship.
2. Accounting and information support of the management process.
3. Financial and investment support of the potential for sustainable development of business entities.
4. Current problematic issues of taxation and audit in business.
5. Development of enterprise reporting.

Monograph Materials Requirements
